As President of Classic Golf Destinations the electric atmosphere of the Ryder Cup is like nothing else you have experienced. I hosted several groups at the 2012 Ryder Cup and from their comments at our departure dinner the expectations of the event were way beyond what they had imagined. Clients who have attended Super Bowls, World Series, Stanley Cups, Indy 500, The Derby, they all say the crowd atmosphere fun, hospitable and competition was intense all the time, heightened by every shot on every hole. The fan interaction with players along with the new friendships and great sportmanship enjoyed by people from all nations was incredible to witness. It's a once in a lifetime event and an historic sports moment and once you have attended one you will want more.

Glen Eagles is a fantastic resort offering 3 golf courses, the King, Queen and the Centenary Championship Ryder Cup course, plus horse back riding, skeet, fly fishing and so much more!

Classic Golf Destinations takes you where the action is and provides service and hospitality second to none. We include everything one needs on vacation. Tickets to the event, airfare, ground transportation, breakfast daily, dinner if you wish, but we recommend be flexible for dinner, you may meet some folks from Ireland by a tee box and later on have dinner with them at a pub.

The Cup is an experience, don't miss a second !
